	20-06-2022	<p>Complaint No. <u>FOH-HQR/0000010/2022</u></p> <p>Complainant present in person. Respondents also present.</p> <p>Vide order of this forum dated 08-04-2022 a commission was appointed to determine whether or not the suit house was partible and if it was not partible what was its appropriate market value. Commission was appointed on mutual consent of the parties. Parties were directed to bear the cost of commission in equal shares. Complainant who has been deprived off her share showed her promptness to deposit the commission fee despite her poverty, whereas respondents who were in occupation of the premises delayed the matter for sufficient time to retain their possession on the suit house. Today the respondents have resiled from their previous stance with the view that cost of commission may be paid by the Complainant alone. Complainant on the other hand has stated that the suit house can be partitioned on the spot and her share can be separated on the site.</p> <p>Respondents have not denied the above preposition. Hence the order dated 08-04-2022 is modified to the extent that the share of the Complainant out of the suit house be got separated physically</p>

		<p>and be handed over to her. Mr. Adil Gardezi, advocate already appointed as local commission is directed to visit the spot to get the share of the Complainant separated and to deliver its possession to her peacefully. Local commission may seek the help of local police on the spot if he so required. The commission fee is now Rs. 40,000/- which will be paid by the Complainant alone.</p>
